Outdoor, Muchmusic
This was the first broadcast

Live Virtual Surround
using the Production

Muchmusic, the Canadian equivalent to MTV, hosted the awards show outside the City TV/Muchmusic Studios on Queen St. West ... the stage size. This gave us the ability to monitor and broadcast three very unique live-music venues at the same time.

What a party! On hand to perform that evening were Lenny Kravitz, The Guess Who ( who did a very cool version of 'American Woman' with Kravitz), Moby, Destiny's Child (Va-voom!), The Barenaked Ladies, Blink 182 and many others.

As usual, it rained, but we were very well prepared that night and the systems performed flawlessly. We...
